Four days before the umeration, blank solednies are 78-erad at eyery house, and on these ere be, recorded the names and ages of ery resident of the dwelling, at midght, on Smidsy, April 2. No child marker midnight is to be included, on that night. These schedules include the age, birth-place and, occupation. The districts are made sufficiently small to enable the agents to collect all the schedules on Monday—they taking the pains to see that each has been filled out according to the directions. Each family makes its own record, and delivers the paper to the collector. In this way, the numeration in the whole island is simu!taneous, and is completed in a single day, giving the exact population at a particular hour. The general estimate in England is that England, Scotland and Wales will show an aggregate population of 31,000,000.

THE KU KLUX EPIDEMIC.—Admitting that there are disorders in the South, and particularly in South Carolinh, it is worthy of notice, however, that the reported terrible Ku Klux outrages are ported terrible Ku Klux outrages are always made to assume a formidable observed that the time of elections in the North, and when Radical politicians are pressed for issues before the people. Conservative man who have just come through the Southern States were astonished to hear, when they arrived at the North, the frightful stories of Ku Klux enormities. We are inclined to think there is much more political smoke than real fire in these reports.

A correspondent of the Chicago Republican gives the following as the origin of the name "Ku Klux Klan:" On the borders of Taxas, near the Rio Grande, there lived a man by the name of Nal K. Kulkuk. "He "was a desperado, but lought against and depredated upon the American settlers. His motto was to seek unceasingly to avenge a real or fancied wrong to himself, his followers or his country. His name spelled back-wards gives us kuklux klan.
